World War II Commemorative Celebration

It took five months of planning, but the World War II Commemorative Celebration coming up this Saturday is expected to be one of the biggest celebrations Mattapoisett will have the honor of hosting. It will also be an emotional experience for those who will remember loved ones they have lost, or for those who survived the war.

"I guarantee you, there won't be a dry eye there. It (the end World War II) brought everybody together, it touches everyone. It touched me, then my daughter, then her kids, right up until now. It brought everybody towards working for peace," said Veteran's Agent for Mattapoisett and Rochester, Harvey Blanchette.

Fifty years ago, in 1945, four fearful years of war ended in a victory for America and a defeat of Hitler, Germany and the militarists of Japan. In a great outpouring of courage and endurance by the men and women both in the military force and on the home front, our way of life was defended. From the Mattapoisett area, hundreds of young men and women left their homes to fight in foreign lands. Their courage and sacrifices stand as models of patriotism.

On August 6, 1945, the dropping of the atomic bomb on Hiroshima and Nagasaki three days later, signaled the end of World War II. When informed that each city was completely destroyed by a single bomb, Emperor Hirohito stated, "We must put an end to the war as speedily as possible so that this tragedy will not be repeated." On August 15, 1945, the Emperor informed his people that Japan would surrender to Allied Forces. It was not until September 2, 1945, however, when General Douglas MacArthur, along with Admirals Nimitz and Halsey, accepted the signing of the Instruments of Surrender by Japanese forces. The surrender took place aboard the battleship USS Missouri, which was anchored in Tokyo Bay, Japan. Much of the world considers August 15, 1945 to be Victory Day over Japan (V-J Day). In the United States, however, September 2, 1945, the day Japan signed over the Instruments of Surrender, is officially recognized as V-J Day.

Mattapoisett's 50th Anniversary of World War II will be held on Saturday, September 16, 11:00 am to 3:00 pm at Shipyard Park in Mattapoisett. Previous times published have been changed to accommodate the flyby of Otis Air Force Base-102nd Fighter Wing. Florence Eastman Post 280, American Legion and Veterans Services of Mattapoisett and Rochester proudly present the 50th Anniversary of World War II Commemorative Celebration. United States Flags will be given to the children and adults will receive a bookmark commemorative V-J Day 1945. The Schedule of event include:

- Flyby from the Otis Air Force Base-102nd fighter wing
- Master of Ceremonies-Richard Waning-Commander

American Legion Post 280

- 21 Gun-Salute-Performed by the National Guard 101 Field Artillery Unit of New Bedford.
- Taps-performed by the Newport Naval Band "Northeastern Show Band."
- Concert-By the Newport Navy Band
- Finale-WW II Vintage Planes-David E. Frawley Jr. (retired) WW II USAAC Pilot, FAA Flight Officer.

Harvey Blanchette, Chief Warrant Officer, U.S. Navy (retired), Veterans Agent for the towns of Mattapoisett and Rochester, is chairman of this event. Blanchette said the public is invited. In the event of rain, the program will be held at Old Rochester Regional High School. Those attending may bring their own lunch and food will be sold by members of the Friends of the Elderly. The program will get off to a flying start with a flyby of

Otis Air Force Base-102nd Fighter Wing, followed by the New Bedford High School ROTC Drill Team, under the direction of Lt. Col. Joseph F. Napoli, (retired).

FAA Flight instructor David E. Frawley, Jr. will pilot a World War II vintage plane. Frawley, 75, started his flight career in 1939 in the U.S. Army Corps (now called the Army Air Force) as Flight Officer, specializing in the instruction of pilots on B17 and B24 planes. In his capacity as designated FAA pilot examiner, Frawley travels all over the country.

Presentation of the flag and certificate from the U.S. Department of Defense will be conducted by Major Charles A. Morgan, U.S. Army (retired), World War II Pearl Harbor Survivor. Mr. Morgan, a native of Mattapoisett and a product of its schools, enlisted in the U.S. Army in 1937 and was assigned to Schofield Barracks, Territory of Hawaii. He was serving as a Staff Sergeant with the 21st Infantry when the Japanese Navy precipated World War II by a devastating sneak air attack on the island, causing considerable loss of life and serious damage to ships, aircraft and property. In the spring of 1942 he was ordered to the Officers Candidate School at Fort Benning, Georgia, where he was commissioned 2nd Lieutenant. Having volunteered for parachute duty, he was then sent to parachute school. Following graduation he was assigned for a short period to the 507th Parachute Regiment as platoon leader, where he was promoted to 1st Lieutenant.

He was then cadred to the 511th PIR, a new unit being formed, as a company commander. He commanded company "F" though its formation, training and overseas to the Pacific Theater, as part of the 11th airborne Division, progressing from New Guinea to the Phillipines. He led his company on a parachute invasion of Luzon and its

goal to Manila, during which he was wounded twice. Following the Philippine campaign and the end of the war, he held a variety of assignments in the U.S. and in Korea, during which time he was promoted to Major. He retired in 1958 after serving 21 years. Major Morgan, or "Charlie" as he prefers to be called these days, moved to Mattapoisett following his military service to the home he still occupies on Main Street. He has since retired a second time in 1981, after 20 years service with the town as Superintendent of the Water and Sewer Departments. Since then it has been volunteer services, travel, recreation and two terms as Water and Sewer Commissioner.

Blanchette, District Director of Veteran's Services, John N. DeCosta, Chairman of the Council Board and Lorraine Roy-Hawkes, Rochester Selectman. Also to be introduced will be the Mattapoisett Board of Selectmen, Paul Lambalot, Chairman, John DeCosta and Daniel Mahoney.

A proclamation from Governor William Weld will be read by Representative William Straus, 10th District, and a Proclamation from the State House and Senate will be read by Senator Marc Pacheco 10th District. The principal speaker will be Rear Admiral Peter Cressey (retired), Chancellor of University of Massachusetts, Dartmouth. Rear Admiral Peter H. Cressey (retired) Chancellor U-Mass, Dartmouth, will be the guest speaker. He graduated with distinction from the Naval War College prior to a Naval Career which included stints at the State Department, House of Representatives, the Pentagon and senior field command positions. He concluded his career as Commander, Fleet Air Mediterranean Desert Storm. In this position he was responsible for five bases, airfields, port facilities, hospitals, and 120 aircraft, a \$1 billion budget and leadership of 20,000 military personnel.

Following two years as President of the Massachusetts Maritime Academy, a post he accepted after retiring with the rank of Rear Admiral from the United States Navy, he accepted, in 1993, the position he presently holds as Chancellor at U-Mass, Dartmouth. Dr. Cressey, and his wife Sarah Anne, have a son, Peter, a Naval Officer and a daughter, Rebecca, a lawyer.

A 21-gun salute will be performed by the National Guard 101 Field Artillery Unit of New Bedford. Taps will be played by the Newport Naval Band "Northeastern Show Band." The naval band will complete

Mattapoisett Selectmen's Meeting September 12, 1995

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, September 12 at 7:00 pm by Chairman Paul E. Lambalot . Also present was Selectman John N. DeCosta, Selectman Daniel O. Mahoney and Executive Secretary Carol J. Adams.

Selectmen approved the minutes of the Board of Selectmen's meeting held on September 5, 1995 and signed licenses, permits and correspondence. Selectmen approved and signed the October 2, 1995 Town Meeting Warrant and the October 3, 1995 Special Election Warrant to pay for the cost to repair, renovate and put additions on Old Hammondtown School. Voters will be asked to approve a Proposition 2 1/2 override for \$1.2 million. Selectmen also noted "Certificates of Appreciation" would be presented at the Fire Departments Graduation Ceremony on September 16. Clara Morgan met with Selectmen at 7:25 pm to ask them to declare September 17-23 as "Constitution Week." She noted this is the 208th Anniversary of the signing of the Declaration of Independence. Selectmen approved her recommendation unanimously.

At 7:45 pm Harvey Blanchette met with Selectmen to go over last minute details for the 50th Anniversary of World

War II Celebration. He informed them they would each have a few minutes to speak as "fathers of the town."

The meeting with assessors for the classification hearing was postponed until next week because they haven't received all the figures from the recap sheet. The town has always gone with a residential tax rate. Ms. Adams noted meetings throughout the week. Selectmen will meet with Tibbetts Engineers on Wednesday morning to discuss the North Street project.

Chairman Lambalot then reported on a recent meeting held with Bernard McCourt, District Highway Director, representatives from Tibbett's Engineering, along with Highway Surveyor, Wesley Bowman. "The purpose was to see how we can downsize the project from the original draft to something the residents of the town and the residents of North Street and the State Highway Director can live with," Chairman Lambalot said. He said the project could cost up to \$2 million. "It's our job to pursue state funds, not to do this own our own, it would be a disaster," he added. The road is defined as a "rural minor collector" which means there are no federal funds available for the roadway, he said. "We need the assistance of the legislative body, I hope to get help from them," he noted. Mr. McCourt informed Mr. Lambalot the road should be widened to a 30 foot layout with either two 11 foot lanes or two 12 foot lanes with a sidewalk and shoulders. "We have nine and a half foot lanes (which vary in width in different areas) now. We would be adding 12, 18 or 20 inches to each lane,"

Chairman Lambalot explained. He also said Mr. McCourt said he wouldn't advise redoing the road without including drainage. Chairman Lambalot said he made it clear, the prime interest of the residents of North Street was to save as many trees as possible. "At tomorrow's meeting, we'll see if we can get that 30 foot area without touching the trees and stonewalls," he explained.

North Street resident Pat Aleks said she was concerned about vehicles speeding on North Street. "The wider we make it, the faster they go," she said. Chairman Lambalot said they would have Safety Officer Paul Magee do some studies in an unmarked car to give them a better idea about speeding on that road. Chairman Lambalot said hopefully by next week, he will have some more answers for the residents. Mr. Bowman will

discuss drainage with the engineers tomorrow. "We're going to try to not make any pools in backyards," he said. He said there was a possibility of hooking more drainage into developments already there instead of creating new ones.

Resident Charlie Soares said he has worried about the safety of his daughters for years and now worries about the safety of his grandchildren as they travel on North Street. "It's one of the most dangerous roads around. It's got one of the highest crowns," he said. Lynn Sylvia stated she has never been opposed to the project and knows it needs to be fixed, but doesn't want to take away from the beauty of the street.

Selectman Mahoney noted he has never been in favor of the town bonding to pay for the street. "No one would want that," he said. Chairman Lambalot said he wanted the residents to come close to a consensus before the public hearing in mid-October. There being no further business for the board to discuss, the meeting was adjourned at 8:10 pm.

Thomas P. Crotty from the Town Counsel. At 5:00 pm they met with Emergency Medical Technicians. Selectmen met in executive session before the 7:00 pm meeting.

At 7:00 pm. Selectmen began with the signing of the warrants and the approval of the minutes from the last meeting. The correspondence under discussion included letters from:

•Mr. and Mrs. Gregory Koss are concerned about the possibility of a high fence being erected around the Sprague's Cove which would detract from their property value.

• Diane Y. Bondi-Pickles stated she felt there was no need for a fence around Sprague's Cove as she has never seen any children in the area.

• Catherine Jones would like to be considered for a positon on the Zoning Board of Appeals when and if a vacancy occurs.

• Rochester Board of Selectmen are requesting that the proposed meeting scheduled for September 20th be postponed until Wednesday, November 8, 1995 at 7:00 p.m. in Rochester.

• George A. Jennings, Harbormaster is recommending that the Town donate old motors to Upper Cape Regional Vocational School in Bourne. As they can make very good use of these items as teaching tools. The Selectmen fully supported this.

• Massachusetts Special Olympics would like to set up a month for the Town of Marion to have a free, tax deductible automotive recycling program. The Selectmen were very interested in getting involved.

At 7:15 p.m. Selectmen met with the Cemetery Commissioners. The Commission had concerns in regards to the new section of Old Annie Cemetery which during large town functions is being used as a parking lot. They suggested that an unlocked chain be put across the Riders Lane

entrance. The Selectmen supported this idea. It was also stated that Evergreen Cemetery is in need of maintenance to both is roads and shrubbery. The Selectmen said they would like to see a list of needed repairs in order to see what could be done.

Other matters to come before the Board were brought up by Marion citizens. One woman wanted it to be known that she was opposed to a fence being put around the Sprague's Cove project. There was also an abutter to a garage being constructed who is concerned about erosion occurring with in her property due to this project.

With no other matters to discuss, the board voted to adjourn the meeting at 7:45 p.m.

Rochester Selectmen's Meeting September 11, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, September 11 at 7:00 pm by Chairman Michael Murphy. Also present were Selectman Lorraine Roy Hawkes, Selectman David L. Hughes and Administrative Secretary Shirley A. Ferreira.

At 7:05 pm, a hearing was held for the license of Gibbs V. Bray, Trustee of Magnolia Realty Trust for the storage of 32,000 gallons of fuel at 565 Rounseville Road (Plumb Corner).

Mr. Al Trakimas, the engineer representing the Magnolia Realty Trust, explained that the proposal includes two 10,000 gallon storage tanks for gasoline and one 12,000 tank for the storage of diesel fuel for a self-service gas station in Rochester. He said monitoring wells would be placed at the four corners of the tank well and a reservoir at the top of the tanks so they can be inspected manually as well as electronically. "They will be electronically monitored to tell if there is a leak, by the levels going down, or if there is a leak in the inner walls. There will be continuous monitoring 24-hours a day. There is also overfill protection; once the tank reaches 90 percent full, it slows down and alerts the tank

Chairman Murphy asked where these controls would be located on the facility.

Mr. Trakimas said they would be installed in the attendant's area, where they would be alerted both visually and audibly. When asked about the structure of the station, he said the building itself would be eight feet by 20 feet long, and have a handicap accessible restroom. He also explained to Selectman Hughes there would be a canopy over the tanks to protect customers from inclement weather. "It'll look just like the Mobil in Mattapoisett," he said about the canopy. He assured Selectmen there would also be fire extinguisher materials on the site.

Selectmen Hughes said the sole purpose of the hearing is to grant or not to grant the license for the tank.

Mr. Trakimas said on the site there would be two islands with one pump on each island where customers would be able to get three different grades of gasoline. Off to the side, there will be a separate fuel dispenser for diesel fuel to make it easier for the traffic flow.

Selectman Hughes said he wanted to know what the finish of the building would be.
Mr. Trakimas informed him that was not yet

determined, but it is very flexible. Selectman Hughes said he was concerned about the overall appearance as well. "I'm interested in the historical aspect, I'm opposed to neon lights, I think it would take away from the atmosphere...I guess I'd fight the golden arches if McDonald's wanted to go in here," he joked.

When asked if there have ever been any problems in the past using the double wall tanks, Mr. Trakimas said similar tanks were able to withstand the San Francisco earthquake. Selectman Hawkes said her main concern is to prevent fuel from seeping into the aquifer. Mr. Trakimas assured everyone present, once the tank is installed it's monitored for any type of leaking. "The nice thing about fiberglass is you never have to worry about corrosion on the interior of the exterior tank," he added. Rochester Fire Chief Ashworth said he reviewed the plans and submitted them to the State Fire Marshall who has the final say on the matter. Chief Ashworth said the State Fire Marshall assured him when dealing with a big name company, they usually go straight by the book. Mr. Trakimas said there is a 98 percent chance the station will be a Mobil. At that time Selectman Hawkes read a letter from the owners of Dempsey's, an abutting business. They said they opposed a gas station going in there because of possible water contamination and because they didn't want to see the station take away from the picturesque and historical setting of the town.

Board asked about the sensors disturbing neighbors if they go off at 3:00 am. She also asked who would respond if they went off at a time when no attendant would be available. Mr. Trakimas told her the sensors were only audible from inside the building. He also said if they went off at 3:00 am, the attendants wouldn't know about it until they came in the next morning unless they were tied into the fire station.

Selectman Hughes explained the location is not next to a prime aquifer like the Mattapoisett River. Ms. Chamberlain noted the site is a half a mile away from the wells at Mary's Pond. She was also

concerned about traffic. "If all of these roads are coming in, it's an accident waiting to happen, you have an awful lot of traffic coming into that area," she said.

Selectman Hughes said it was a state approved plan and that the Board of Appeals and the planning board should take into consideration the general appearance of the site. A driveway will also be paved for an entrance into the location across from the convenience store.

Selectman Hughes made a motion to grant the license, it passed unanimously.

Following the hearing, Selectmen read a letter written from Town Counsel Everett Marder concerning the conduct of Rochester Police Officers who answered a citizen complaint on May 11, 1995 at Walnut Plain Road. According to the letter written by Mr. Marder, "The Police dispatcher received a call...the caller identified that someone was to break about to break into her house. Two police officers went to the scene followed by Lt. Simpson. Three youths were identified at the scene, arrested and brought to the Rochester Police Station. I had the opportunity to question Mr. and Mrs. Ziobro and Lt. Simpson. We learned that by agreement of the judge and the District Court, the attorney representing the Ziobro family and the district attorney, the charges brought against the Ziobro youth were dismissed without a hearing. Having reviewed the entire available record in this case, I can only conclude that there is no evidence of intentional or negligent misconduct by members of the Rochester Police force. There was however, sufficient reason to believe that there had been wrongdoing by one or more of the youths arrested on Walnut Plain Road on May 11, 1995. The police were called to the scene of an alleged breaking and entering by a distraught

female citizen. They clearly identified that the three youths found at or near the scene were involved either directly or indirectly in the incident about which they were called. They ascertained that there was alcohol involved and that one or more youths were under the influence. In my opinion proper police procedures would require the arrest and transport from the scene to the police station of the three youths and the notification to their parents...If there was error committed by the police here, it was in the formulation of the charges brought against these youths. Based on the information available at the time and at the scene, the charges may well have appeared justified by the evidence. In retrospect, however, the charges should have been limited to vandalism, drunk and disorderly conduct(by one or more youths), and destruction of private property... The more serious problem here, in my opinion, and one that the Police Chief and Board of Selectmen need to address is this failure of the police to conduct a follow-up investigation regarding the incident." Selectman Hughes made a motion that there be no formal complaint charges against Lt. Simpson. "So it's done with," he said. Chairman Murphy seconded his motion; Selectman Hawkes abstained. Selectman Hughes said he wants to hear

from the Police Chief what the correct procedure is. Selectman Hawkes said they already had a copy of that procedure.

The board then signed checks from the Annie Maxim House Account as voluntary contributions to the departments. They voted to send a thank-you note. Selectman Hughes and Selectman Murphy made mention of the recent Eagle Scout awards they attended. "I'd like to give a special thanks to the scout leader of troop 31 for an outstanding job bringing these boys up to Eagle Scouts. Let's send a letter to Steve McGraw," he said.

Under new business, Selectman Hughes discussed a recycling operation the Refuse District is interested in putting in Rochester on Kings Highway. They want to purchase property and lease it to Rochester. He said it would be beneficial for SEMASS, and that the Board of Health should support it. "I'm in favor of it, I don't want to see truck traffic on Sundays," he added.

He said he was told the largest vehicle that would be on the property is a pick-up truck. He said they would recycle building debris, leaves, small brush and compact it. "If Mattapoisett closes, this town will not have a place to go," Selectman Hughes said. He said he supported the project and so did Selectman Hawkes. Chairman Murphy wanted to review it more thoroughly before stating his opinion.

There being no further business before the board, the meeting was adjourned at 8:25 pm.

"CAVE AT EMPTOR"? - NOT TODAY

If you buy an old overcoat in a used clothing store and the sales slip states "Sold As-Is", you've bought it moth holes and all, right? Well, maybe. This legal principle of "caveat emptor" (let the buyer beware) is dead or dying. We are living in an age of consumerism and it's hard to find a court that won't favor the buyer in a dispute. In fact, consumer groups and many government agencies are taking the posture that the seller must disclose everything.

If you have a problem in your home, don't mask it. A common example is the homeowner who spray

paints a ceiling to cover water stains caused by a leaking roof. If you have a problem that you don't intend to correct, be candid about it. Sure, some people will be turned off by it, but the serious buyer will be understanding about a problem openly displayed. Usually, they will discount the price by far less than the cost of repair. . . and a whole lot less than a day in court would

Open House, or "School Night for Scouting," is our annual kick-off meeting for the next exciting year of Cub Scouting. Boys from first grade interested in Cub Scouting can sign up for the Pack at this meeting. Returning Cub Scouts must sign up at this time as well. Parents-Cub Scouting is a familyoriented activity, and so your helping the Pack through volunteering will go a long way to make your boys' Cub Scouting experience special. Adult pack and den leaders will be there to answer any questions about Pack 53's schedule of events. Hope to see you there.

Sippican Choral Society

The Sippican Choral Society's second rehearsal season is on September 14 at 7:30 pm in the Congregational Church Community Center in Marion. New members are welcome to join the chorus as it practices for its December 3rd Christmas Concert, which will include Vivaldi's "Gloria" as well as a variety of Christmas music. Parking is available in the Marion General Store parking lot on Front Street in the village. Questions? Please call Lynn Danse at 748-3653 or Peter McDonald at 748-0358.

The Senior Center Ad Hoc Advisory Committee wishes to thank everyone for their responses to the questionnaires. The results are in and the overwhelming majority of citizens have said, "Yes! We need a center." The committee will be meeting with the town's Selectmen in the near future in order to share the results in more detail. We will keep you posted. Again, thank you for taking the time to fill them out and for all your comments. Committee members are Michele Bernier (Chairperson), Josephine Pannell (Secretary), Leonora Brown, Patricia Monteiro Pickering, and Eloise Riciardelli.

Mattapoisett Youth Athletic Association

The Mattapoisett Youth Athletic Association will hold its annual meeting and election of officers on Thursday, September 14 at 7:30 pm, in the cafetorium of the Old Hammondtown School. In recent years, the membership of the MYAA board has been shifted around among a small group of parents and other interested residents. We would like to get more individuals involved in running the organization, especially those with children just starting to participate in our programs. Please make an effort to come to the annual meeting and to the

Timothy Stone of Marion was recently awarded a U.S. Coast Guard Master, Near Coastal 100 Ton license with a towing assistance endorsement. The license authorizes Captain Stone to operate passenger vessels out to 200 miles offshore and to work on tugboats. To earn the license, Captain Stone was required to pass a one-day examination at the U.S. Coast Guard Regional Exam Center in Boston. He prepared for the exam by completing an exam-prep course at Northeast Maritime in New Bedford. Captain Stone is self-employed and has had experience on sailboats and more recently on his powerboat between here and Maine.

Sippican Historical Society

On Tuesday, September 19 at 7:30 pm, the Sippican Historical Society will hold its first meeting of the season. It will be held in the "Music Hall" on Front Street in Marion and will feature Richard T. Porter, the Thermometer Man, as speaker. Refreshments will be served at the conclusion. In September we start to glance at the thermometer first thing in the morning to see just how COLD it is. We can thank Galileo for the invention of the thermometer but we must thank Richard T. Porter of Onset for the preservation of the thermometer.

Mr. Porter first became interested in thermometers during his 30 years as a science teacher in Lexington. He has been featured in the Guinness Book of World Records and Ripley's "Believe it or Not." Mr. Porter travels widely both in the United States and abroad to collect, advise and lecture.

The Plumb Library

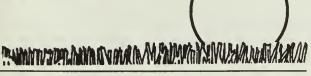

The Plumb Library's preschool story hour series will begin on Wednesday, September 20th. The series takes place each Wednesday morning at 10:30 am and is open to Rochester children ages 3-5. Each week there will be stories, songs, crafts and a chance for children to interact. There will be two sessions this year:September-December and January-May. Those interested may sign up for one session only at this time. Registration starts on September 2nd. To register, call the library at 763-8600, or sign up at the main desk during library hours.

The Plumb Library's Homework Center will be open again this school year, and the library is looking for people interested in being homework coaches. Coaches are available for a few hours each week to assist students with homework assignments, helping them find appropriate library materials, helping them understand their assignments and organize their thoughts. We will be conducting one-on-one training sessions over the next few weeks. Anyone interested in getting involved in this worthwhile project should contact Lucy at the library during library hours.

Charity Golf Tournament

The First Annual Charity Golf Tournament will be held on October 13, 1995 at the Kittansett Club in Marion. Designed by Frederick Hood in 1923 , the "links" style course, with a layout that depends on the natural features of the land and a constant wind, rather than artificial obstacles, provides a challenging game of golf. Chairperson of the event this year is Deborah Hynes of New Bedford. Other committee members are James Hughes, Patricia Janiak, Michael Rutkowski, Ronald LaStaiti and Eivind Strand. Proceeds from the tournament will

WW II Anniversary

On Saturday, September 16, the "Friends" will be selling refreshments at the W.W. II 50th Anniversary Celebration at Shipyard Park between 11:00 am and 3:00 pm. Proceeds go to their activities fund which is used to benefit the Mattapoisett seniors.

Line Dancing

Line Dancing will begin October 2 from 1:00 pm to 3:00 pm at the American Legion Hall on Depot Street. Lee will be back with us again this Fall and hopes to see all her old friends back and many new ones. Line dancing is a way to exercise and have fun at the same time. This is also a good opportunity to meet new people. The class will run every Monday except holidays but this is not something you need to attend every week. There will be a \$1 fee for the session.Lee is a good teacher and very patient. For more information please call 758-9722. Crafts

Crafts began on September 12 and will continue on every second Tuesday of the month. Volunteers of any age are welcome. We will be making small items to be distributed to former Mattapoisett residents who are in local nursing homes.

Fall Festival of Dressage

On September 14-17 the New England Dressage Association will hold its annual Fall Festival of Dressage at Fieldstone Farm in Halifax, Massachusetts. Dressage is an equestrian sport that combines grace and athleticism as horse and rider perform alone in the ring under a judge's watchful eye. On Sunday, September 17, the festival will feature musical freestyle performances, which are a crowd favorite. Admission is \$5 for adults. Children under 16 are admitted free. Fieldstone Farm is located on Route 106 in Halifax. For more information, please contact Show Manager Barbara Petrie at (508) 528-2122.

gray and white neutered male, a 5-year-old longhaired Garfield neutered male, a gray and white long-haired female, an all white young adult female, and an all black short-haired young adult female with green eyes. All the kittens advertised last week have been adopted but we always have new listings. Available kittens this week are short and long haired calicos, three tortoiseshell females, two orange females, gray and white male, a very dark tiger male with white markings, a dark tiger long-haired female with double paws, and two very sad male kittens each left along in foster care. All siblings were adopted this weekend. One is a very long haired tiger with white paws, nose and underparts. The other is a short-haired tiger with white markings. They are both real sweet and loving.

In the lost and found department, there is a lost cat. He is all black, recently neutered, shorthaired, adult male most likely en route from Mattapoisett to Fairhaven. His right ear has been notched (cut straight across which is an umbrella symbol indicating rabies vaccination). If you have seen this wanderer, please call any of our numbers listed or the Fairhaven Animal Shelter at 979-4028. There is also another story about a stray cat who has been going to a woman's home in Mattapoisett to be fed. She said he usually shows up at 5:00 am or 4:00 pm for his meals. He's a lovely cat, who wants so much to be loved. She has been ill this spring and is afraid she won't be able to feed him any longer. He has received his shots and has a flea collar. He cries outside the window of her room and at times, it breaks her heart. If anyone wants to take in this gray cat who needs a home, please call 758-2223. In the dog department this week, there is a 4year-old female Lab mix who needs a loving home and more attention than the owner can give her. The dog would be great with older children. The owners' babies are too young to enjoy the dog's active style. If interested in adopting this lovable pet, please call Maureen at 763-6228.

trained to the Firefighter 1 standard. The Firefighter I Instructors training course is offered by the State Fire Academy to Fire Departments throughout the state. Upon completion of Instructor training, area instructors are allowed to present the Firefighter I and II programs to their departments, and issue a Joint Certificate for completion of this training. Call Captain Dawicki III, who works full time for Boston Edison at the Pilgrim Nuclear Power Station, as a Nuclear Training Specialist, specializing in Firefighting, Industrial Safety, and Medical Training, volunteered to take on this task. The first year Dawicki presented the Firefighter I program to the Fairhaven Fire Department.

The following Firefighters should be commended for their effort and dedication for completing the 1995 Firefighter program; from Fairhaven-Barry Parker, Kevin Polson and David Tripanier. From Mattapoisett-James Gracia, Paul Kelly, Mary E. Redman, David Scott, Scott Verville. From Marion-Ronald Auld Jr., Allen Denham, Michael Still, Steven Lester Robins, Glenn Prescott, and Steve Rodriquez. From Acushnet-Peter Farias, Robert St. Jean Jr. From the South Weymouth Naval Air Station-Richard Burditt, Ralph Lee Morris.

Caring For Your Diamonds

Cleaning Your Diamonds

Here are four ways to clean diamonds.

1. The Detergent Bath. Prepare a small bowl of warm suds with any of the mild liquid detergents used in the home. Brush the pieces with an eyebrow brush while they are in the suds. Then transfer them to a wire tea strainer and rinse under warm running water. Pat dry with a soft, lintless cloth.

2. The Cold Water Soak. Make a half-and-half solution of cold water and household ammonia in a cup. Soak the pieces for 30 minutes. Lift out and tap gently around the back and front of the mounting with an eyebrow brush. Swish in the solution once more and drain on tissue paper.

3. The Quick-Dip Method. Buy one of the brand-name liquid jewelry cleaners, with its kit, choosing the kind most useful to you. Read the label and follow its instructions. Don't touch your clean diamonds with your fingers. Handle your jewelry by its edges.

4. The Ultrasonic Cleaner. There are many types of these small machines on the market that will clean any piece of jewelry that can be dipped in a liquid in a matter of minutes.

Diamonds should be professionally cleaned and prongs checked a minimum of twice a year. At Smith & Neil we will do this for you free of charge regardless of where the jewelry was purchased.
